

# Conrad 30 Program for Physicians

The Conrad 30 Program allows J-1 visa waiver physicians to apply for a waiver of the two-year home residency requirement in exchange for a commitment to work in underserved areas in the United States.

## Application Information

- **Eligibility:** J-1 physicians who have completed graduate medical education in the U.S.
- **Requirement:** Serve full-time at a designated health facility in a federally designated Health Professional Shortage Area (HPSA) or Medically Underserved Area (MUA) for at least three years.
- **Sponsorship:** Each state public health department may sponsor up to 30 physicians per year.
