

Dual Representation Disclosure

This document serves as a formal disclosure that the undersigned agent/broker may represent both the buyer and the seller in the contemplated real estate transaction.

Disclosure Details

In the event of dual representation, the agent acknowledges the responsibility to treat all parties with fairness and to fully disclose any conflicts of interest that may arise as a result of acting in this capacity.

Consent

By signing below, both parties acknowledge understanding of this dual agency relationship and consent to the agent's representation of both sides of the transaction.
