

Steps to Obtain a Duplicate Social Security Card

- 1. Gather Required Documents**
 - Proof of identity (e.g., passport, driverâ€™s license)
 - Proof of citizenship or legal immigration status
- 2. Complete the Application Form**
 - Fill out Form SS-5: Application for a Social Security Card
- 3. Submit the Application**
 - Submit your documents and application in person at your local Social Security office
 - Or mail your completed application and documents to your local SSA office
- 4. Await Processing**
 - The SSA will process your application and mail your duplicate card to your address on file
