

Steps to Replace Damaged or Destroyed Resident Card

1. Gather required documents (proof of identity, passport photos, etc.).
2. Download and complete the resident card replacement application form.
3. Prepare payment for the application fee.
4. Submit the application and documents to the designated immigration office.
5. Attend any required interview or biometric appointment, if requested.
6. Wait for the processing of your application.
7. Receive your new resident card by mail or pick-up, as instructed.
