

Compliance Statement with Animal Welfare Laws

This document certifies that all research and activities conducted by our organization fully adhere to all applicable animal welfare laws, regulations, and guidelines.

Details

- All procedures involving animals are reviewed and approved by an Institutional Animal Care and Use Committee (IACUC) or equivalent.
- Personnel involved in animal care and use are appropriately trained and qualified.
- We ensure humane treatment, minimize discomfort, and follow the principles of the 3Rs (Replacement, Reduction, and Refinement).

Declaration

We affirm our ongoing commitment to maintaining high standards of animal welfare and compliance with all legal requirements.
