Official OPT Processing Update

Date: June 10, 2024

Dear Students,

We would like to inform you about the latest update regarding the Optional Practical Training (OPT) application process. U.S. Citizenship and Immigration Services (USCIS) has reported an average processing time of 3-5 months for OPT applications submitted in recent weeks.

Students who have applied for OPT are advised to monitor their email and USCIS account regularly for updates on their application status. If you have any concerns or questions, please contact the International Student Office for assistance.

Thank you for your patience and cooperation.

Sincerely,
International Student Office
