

Proposal to Modify Required Eligibility Terms

Introduction

This document outlines a proposal to revise the current required eligibility terms for participation in the program. The goal is to ensure that the eligibility criteria are fair, up-to-date, and inclusive of the target population.

Current Eligibility Terms

- Applicants must be at least 18 years old.
- Applicants must be residents of the state.
- Applicants must not have previously participated in the program.

Proposed Modifications

1. Lower the minimum age requirement to 16 years old.
2. Expand eligibility to include residents from neighboring states.
3. Allow previous participants to reapply after a 2-year waiting period.

Rationale

These modifications aim to increase accessibility, reach a broader audience, and provide additional opportunities for individuals who may have missed out previously.
