Subject: Demand to Forgive Erroneous Federal Benefit Payments

Dear ,

I am writing to formally request the forgiveness of erroneous federal benefit payments that were issued in error and subsequently demanded to be returned. I believe that the overpayment was not due to any fault or misrepresentation on my part.

I respectfully request a reevaluation of my case and a waiver of any repayments or penalties associated with these erroneous payments.

Please contact me at or if you require further information or documentation.

Sincerely,
